

Mr Andrew Brogan

12th June 2007.

Dear Andrew,

Royal Windsor Horse Show 2007.

Now that the dust has settled and I have managed to draw breath. I wanted to write and thank you for all your support at Royal Windsor Horse Show 2007. It was a tough show this year with the weather being against us and your contribution was greatly appreciated by ourselves.

I am sure you will agree that your units looked great and were of the standard that complimented the show.

Thank you for a smooth set up and breakdown and I really appreciated the way you left your area litter free and tidy.

No doubt we will speak to each other regarding 2008.

Good luck with the summer season!!

Kind regards,
