Ref :- National Event Caterers

Dear Sir / Madam

Mr. Andrew Brogan and his team from National Event Caterers, have attended many of the events that we organise, from small specialist events to major town centre and county shows. They have always provided the service as we have requested and complied with all the current HSE and Hygiene laws.

They are always punctual, courteous and pleasant and I am not aware of any complaints being made about them at any of the events they have attended.

I have no hesitation in providing them with references, as I am sure that they will provide an excellent service to you and your customers in any capacity that you may use them.

Many thanks.

Yours Sincerely

B J King
Events Organiser
Bridgend Festivals.
