Dear Andrew

NSPCC CAR BOOT SALE – 17TH SEPTEMBER, 2006

I am writing to thank you and your very helpful team for attending the above event.

The day was a great success. The weather was good and most important of all we were very well supported by the general public. We estimate that we had in the region of 2,800 cars on site.

From the information that received to date, it appears that the Car Boot Sale raised approximately £24,000 for the NSPCC. It is difficult to be accurate as donations are still dribbling in.

On behalf of the committee I would like to thank you for your support and your generous donation. Thank you also your kindness in supplying the Northleach Fire Brigade with soft drinks and tea.

We hope that you also enjoyed a very successful day,

Yours sincerely
