To Whom it may concern:

Dear Sir / Madam,

I am writing to confirm that Mr. Andrew Brogan, has had an outlet at the above event for the last 3 years. In that time he has been a pleasure to deal with, insofar as payments have always been received punctually, he has been most accommodating with all arrangements that we have made.

His food is always high quality, well cooked and tasty, whatever the variety is on offer.

His outlet is always very clean, as are both he and all staff on board, everything is always cleaned away and disposed of at the end of the show, to the extent where he has assisted us in the disposal of some of our show waste.

He is extremely professional in all his dealings with the public, and we have certainly never received any complaints to the contrary.

Yours faithfully,

Amanda Collier (Chair)
